

Module Bookings

Your booked modules appear on the top half of the screen. Your compulsory modules will already be added to this section when you first open the tile.

Use the **Module Bookings** tile to select, register or withdraw your optional module choices for the next academic year.

Click on the module title to view the module description.

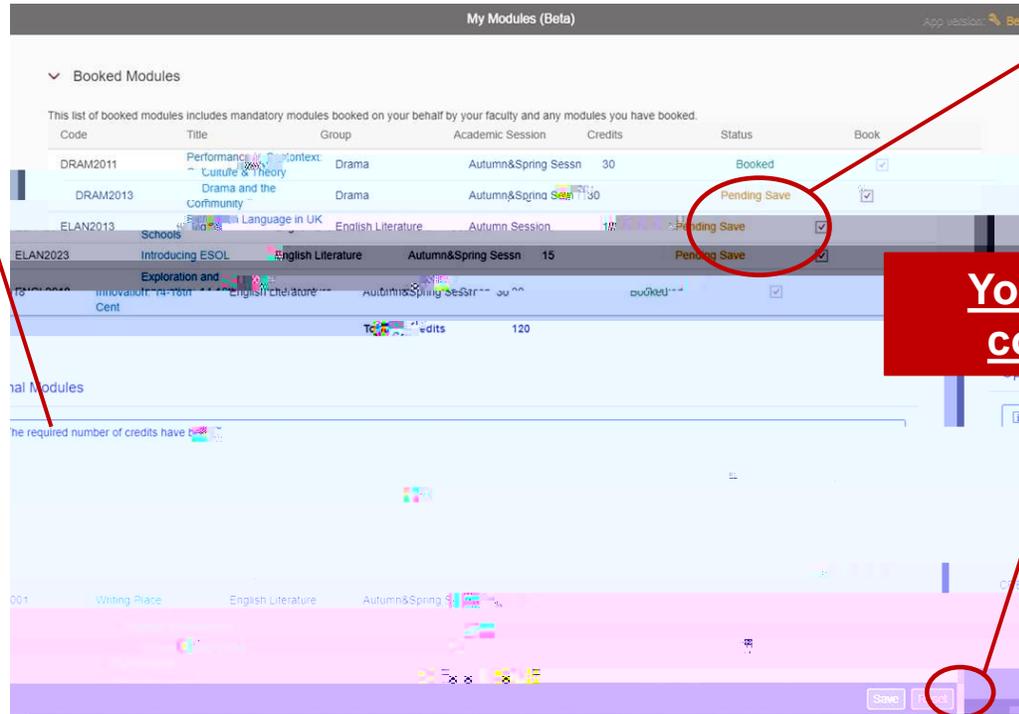

Module Bookings

The credit countdown will disappear when

correct number of optional modules. You will also see an alert notifying you that you have chosen the required number of credits.

If you want to remove a selected module simply click on the tick box again to deselect it. Then select another module to replace it and click 'Save'.

You must click 'Save' to confirm your choices.

-up window will appear notifying you that your modules have been booked. If you see a red exclamation mark symbol then you must change your selection before you can save successfully. You can click on the module title in the pop-up box to see

Help and further info
